## OUR VISION

We strive to make every product:

- ⚙ Authentic and honest
- ⚙ Reasonably affordable
- ⚙ Simplistic and elemental

Little Beadies holds high value in appreciating the natural beauty of the Earth and self, and we hope to inspire people to seek those values, as well. To those who want a unique beaded piece that reminds them of nature and the Earth, Little Beadies is for you.

## ABOUT US

Little Beadies is a small nature focused, grounded bead company where our products are made for people to feel and look good. Each item is handcrafted with care, whether it be various beaded jewelry or accessories, we strive to make our products authentically and honestly made, while also being reasonably affordable. Located in San Luis Obispo, where we take our inspiration from, nestled between the mountains and ocean, Little Beadies strives to convey the natural beauty of the Earth in our products and designs.
